

# **Pillars of the Community**

**The Whiting Theater has ten prominent pillars that support the balcony available for naming rights! A one-time donation of \$1000.00 names your pillar for ten years! Each pillar has space for two “pillars of the community” supporters! Commit your support at this level, and your pillar will be refurbished, along with a customized name plaque with up to four lines of text!**

**A one-time donation of \$1000.00 names a pillar for 10 years!**
